Dear Examiner Strimbu:

This letter follows on our telephone conversation of July 26, 2005, regarding the application of Ric Winchester, Serial No. 09/940,208. You indicated that certain claims would be allowable if they are re-written to overcome some vagueness or lack of clarity you perceived. You indicated that you would get proposed language to me by the end of the week. I look forward to receiving your proposed changes, and I look forward to finalizing this application and getting it passed to issue. I appreciate your work on the file. Please call me if I can be of further assistance.

Sincerely,

Edward L. White
